

PCC: Portable Desktop Enclosure

Key Features:

- Fits All Intuitive2 and Intuitive4 Indicators
- Portable
- Fused IEC Power Input
- Robust Construction
- Supply Fully-Wired and Ready to use
- Attractive Styling
- 3 Year Warranty

The PCC range of portable desktop instrument cases are designed specifically to suit our Intuitive2 and Intuitive4 range of digital indicators and are available in a range of formats for housing anything from single meter to suit simple measuring systems up to a bank of 12 meters for multiple-sensors in industrial process monitoring applications.

Specially designed cases for greater numbers of meters can be offered if required - please [contact sales](#) to discuss your application in detail.

All cases are fitted with a fused IEC mains input and a single sensor connection per indicator as standard, while reset buttons, lights, alarm sounders, rotary selection switches and integral battery power/backup are just some of the options that can be added to suit your specific requirements.
